Question

Moved by the Right Hon. Charles Townshend
Chancellor of the Exchequer.

TH A T it is the opinion of this Committee, that towards raising the supply granted to his Majesty, the sum of *Four Shillings* in the pound, and no more, be raised within the space of one year, from the 25th of March, 1767, upon lands, tenements, hereditaments, pensions, offices and personal estates, in that part of Great Britain called England and Wales, and the town of Berwick upon Tweed; and that a proportionable Cess, according to the ninth article of the treaty of union, may be laid upon that part of Great Britain called Scotland."

An amendment was proposed by the Right Hon. William Dowdeswell (late Chancellor of the Exchequer) and seconded by Sir Edmund Isham, Bart. and supported by Mr. Grenville, to leave out the words *Four Shillings*, and insert in their stead, *Three Shillings*.

The Question was put, Whether the words *Three Shillings* should stand part of the said Question :
